

Gold Crest Homes, Inc. proudly announces our “GREEN FOOTPRINT PROGRAM”

At Gold Crest Homes, protecting the environment has never been "trendy," it has simply been the right thing to do. Since 2001, we have been researching processes and products to incorporate into our homes, making every home we build more energy efficient, more durable and healthier for our customers. And we've never stopped! Gold Crest Homes works with a Certified Green Professional on the design of each home, allowing us to offer our customers responsible choices for their families, and for the environment.

WE'RE PROUD TO BE THE BUILDER OF THE FIRST CERTIFIED GREEN HOME IN CITRUS COUNTY!

**AS PART OF OUR COMMITMENT TO OUR CUSTOMERS AND OUR PLANET,
EACH GOLD CREST HOMES FEATURES:**

- ◆ **ENERGY STAR COMPONENTS**, including your choice of Insulated-Tinted or Insulated Low-E windows and sliding glass doors
- ◆ **Florida Green Building components**, including Fresh-Air Ventilation, and Low-Flow Plumbing Fixtures
- ◆ **Your choice of either a Tankless Water Heater or a Solar Drainback System**
- ◆ **Low VOC paints**
- ◆ **Native Tree Preservation**
- ◆ **Moisture Control**
- ◆ **Erosion Control**
- ◆ **Durable, Eco-Friendly materials**
